**This week...** This week **Crenver** have begun rehearsals for the school production, working on their intonation, pronunciation and delivery. In Maths we have continued to work on all four functions and problem solving with our 'Number of the Day' challenge. The children have also produced some wonderful artwork for Nancegollan Flower Show and the Year 6s have begun to produce their Camp Diaries on the laptops. Well done all the children for their excellent behaviour and sportsmanship on Tuesday, we are very proud of you all.

**Pengelly** – This week we have been practising our x6 table facts and using these to help solve some tricky word problem using multiplication and division.

In History we have been learning about the invention of steam and how it started to change the world!

On Monday next week, Pengelly Class is off to Gwennap Pit since we have been learning about John Wesley and his role in Christianity. We will be leaving at 9.30am and will be back for a normal lunch time. The children need to wear sensible footwear and clothing to match the weather on that day. As we are back by lunch time the children can have their normal lunch on that day.

**Trenoweth** – Next week is our last **swimming** lesson this term and the children will be learning some life-saving skills. They will need to bring some light-weight pyjamas to wear over their swim suits - **no onesies please**.

**Releath** – We have had a glorious week in the sunshine! We were so proud of how well all of the children took part in their first Sports Day, well done Releath! We have been looking at the value of different coins in Maths and have begun to add money together. We read the story of Melrose and Croc, wrote lists of things to take the beach and made 'I spy' books. We have used oil pastels to create some beautiful pictures for Nancegollan Flower Show and really enjoyed having a special visit from Sarah, the paramedic, in her ambulance! We also really enjoyed meeting the new children that will be starting school in September and showing them around our classroom.

**Bag2School** – Thanks for all your kind donations, all the bags were weighed and there were 40kg which raised £16.00 for the school.

**CSIA Primary Sports Alliance Presentation Evening** - Last night, Mrs Richards and Mrs Gillam attended with pupils and parents from Crowan School. We would like to say huge congratulations to Josh M who was awarded the 'Sportsmanship Award' and Roxxi, who received the 'Most Improved Award'. Autumn and Jacob S were awarded 'Most Committed Year 3/4 Pupils' and Jimmy and Mia 'Most Committed Year 5/6 Pupils'. All of the Year 5 children who attended, received a bronze award for 10 hours of Playground Leadership; they have been working hard each lunchtime to provide games and sporting activities for the other children. We were delighted to hear that out of the 10 schools in the Alliance, Mia had been selected as the Alliance's 'Female Athlete of the Year' and Lily R won 1st prize the literacy competition! We are immensely proud of all of Crowan School's achievements this year, well done to you all.
