97.6%	98%	<b>98.7%</b>	96.7%

**Golden Ticket winners:** **Milly** for being a Super Social Me! & being creative and **Oliver G** for being a Super Mannered Me!

**This week...in Crenver** - What a great time we've had during our Healthy Living week, along with the rest of the school. It was kick started by a trip to the beach; swimming, building tidal forts, beach volleyball, cricket and free time. The dolphins even came by to see the fun! A trip to the CSIA STEM centre enabled us to dissect and explore pig hearts. Discussions focused around what impacts on heart health. The Explorer Dome gave us an opportunity to be 'ingested' into the human digestive system and have an intimate view of our insides!

We have finished up the week with making healthy, balanced diet wraps, which we thoroughly enjoyed, and printing with vegetables, while focusing on team work and communication within a group.

**Pengelly** – What a wonderful week! We've been active and healthy on the beach, filled our body with fun and laughter at fun sports day (good mental health we think), explored the digestive system in the Explorer Dome, made a clay tile mosaic showing healthy scenes and researched fruit and vegetables, finding out about what vitamins and minerals they contain and what jobs they do in our bodies before making our mini gardens. The behavior of the whole class has been amazing this week, I am so proud of them. Thank you for a lovely week Pengelly class. Next week is our final PSHE week. If you would like to view the materials, they will be available on Monday at 3.30pm.

**Trenoweth** – Wow! What an exciting week we have all had! We had an amazing time at the beach on Monday and loved all of the Olympic games we played. We were even lucky enough to see dolphins! Tuesday was very exciting too – we made a delicious tomato sauce to go with our spaghetti, learning

about different ingredients, weighing them and chopping them safely.

In the afternoon, we had so much fun at our 'Fruit and Vegetable' themed Sports Day. On Wednesday, Miss Phillips brought in some unusual fruits for us to sample, including papaya, pomegranate, pitaya and sharon fruit. We were all so brave at tasting them! We also had a visit from the Explorer Dome to learn all about our bodies!

We looked at different teeth and what happens to our food during digestion. Today, we had a fantastic time at Trevaskis Farm, learning all about their fruit and vegetables, other produce and their animals! What an exciting week we have had. Thank you so much for all of your contributions which made all of these exciting activities possible!

**Releath** – We have had an amazing time throughout our Healthy Living week! We really enjoyed taking part in a variety of sporting activities such as volleyball, swimming and rounders. The vegetable soup and fruit salad that we made on Tuesday were delicious! We were brilliant at chopping, slicing and recognising the different fruits and vegetables that we used. We had a great time on Tuesday afternoon, working together as a team for our Fun Sports Day. We loved the explorer dome on Wednesday. It was really interesting to find out what happens inside our bodies! We made four fantastic recipes with cucumber on Thursday and really enjoyed tasting new and exciting dishes. Our trip to Trevaskis was a lovely finale today too! A huge thank you to all of the adults that have been such a brilliant help this week and to Releath class for amazing behaviour and a positive attitude throughout all of our activities! Well done and have a lovely, restful weekend!

**Thank you for the voluntary contributions so far towards the Explorer Dome experience and the Releath & Trenoweth Trevaskis Farm visit – please send any further donations into school as soon as possible.**

**Whitsun Fair** – What a fantastic Whitsun Fair! I hope that seeing such strong support of the event made you as proud of our school community and the wider community as it did me. I would like to say a massive thank you to those of you who gave up your time and committed your efforts to the running of the fair. You did a truly amazing job! A huge thank you is also due to all of you who attended the fair. I am so grateful to each and every one of you for your support of this event. I hope sincerely that everyone had a brilliant time! (Mrs Cleave)

We would like to say a big thank you to Mrs Cleave for organising and overseeing the Whitsun Fair again this year. Thank you also to everyone who volunteered their time and to all who attended and supported the school to make the fair a huge success and a super fun event for the children. Over £600 was raised!

**Unclaimed Raffle Prizes –**

**Ticket No's: 477, 427 and 439**

If you have the tickets above, please collect your prize from the school office.

**PSHE Week** – next week each class will continue their learning about sex and relationships using the Christopher Winter materials recommended by Cornwall Healthy Schools and the Health Promotion Service:

Year 1 – Families and Care

Year 2 – Naming the Body Parts

Year 3 – Family Differences

Year 4 – 'What is Puberty?'

Year 5 – Puberty and Hygiene

Year 6 – Conception and Pregnancy

*If you would like to speak to your class teacher about any of the lesson content or materials, please make an appointment via the school office.*

**House points** – The team with the most House Points this week was Pendarves. Well done!
