Golden Ticket winner: Josh M – for running the whole course, also supporting others!

This week...in Crenver Class... The children have been working at their division skills in mathematics, as well as learning to convert improper fractions to mixed numbers (and vice versa) and to recognise simple percentages. In Literacy, the class have planned and written their own dragon reports. They enjoyed their final swimming session on Wednesday and took part in the dodge-ball competition too.

Pengelly – What a very busy week! The class have worked very hard learning how to subtract using the frog method and how to use 'decomposition' to calculate difficult subtractions! Everyone showed super resilience! In Literacy, we have been working on learning our new piece of writing, which is a 'Report'. Well done everyone on a super assembly, I was very proud of you all and everything you've learnt this term.

Trenoweth – This week we have began rehearsing for our Nativity play. We have started to learn our songs and have been practising our lines and our acting skills! In maths, we have been recapping odd and even numbers and then progressed on to sorting them using Venn diagrams and Carroll diagrams. Miss Phillips has been so impressed with the Christmas Decoration entries – please ensure they are all in school by next Wednesday. We thoroughly enjoyed our trip to Feadon Farm on Monday and learned so much about the incredible wildlife they have there. We even got to see the reindeer! The children were incredibly well behaved and proved what a credit to our school they are!

Releath – We have had a lovely week in Releath class. We really enjoyed taking part in the house dodgeball event on Tuesday and had an AMAZING time at Feadon farm yesterday! Today, we have made some bird feeders for you to hang up in your gardens, having learnt about lots of wild animals and birds on our trip. We have been exploring length and measuring, and number bonds to 5, 6 and 10. We have enjoyed continuing to learn about the Great Fire of London, and have explored equipment that firefighters use today. We have started to learn our nativity songs very well. Some children will be bringing home words to learn tonight,

if you could help them with these that would be great, thank you.

Trust News - Mr. Hunkin and Mrs. Glover attended a special meeting of Headteachers and Chairs of Governors from all the Trust schools on Wednesday evening. The discussion revolved around the future structure and organisation of the Trust. It has been proposed that the current co-operative educational trust convert to a multi-academy trust model. A task group is to be elected to work on the design of the new MAT (Multi Academy Trust) but individual school governing bodies will have to decide whether to join it and when. More details to follow.

Governor News - This week the governors have had a busy week of training and school interaction. Katharine Marquis has attended her Safeguarding Level 3 course. If you feel you have any issues regarding the safety and wellbeing of your child, or another child in the school, please be reminded that as governors we can advise you of the correct action to help ensure that every child in the school maintains a happy and healthy lifestyle. Tomorrow, Emma Bouch will be attending her Governor Induction Training Part 2. Remember if you wish to become a governor there is an extensive amount of training you can go on to ensure you are confident in your role (email Caroline on: caroline.glover@crowan.cornwall.sch.uk) Finally, the governors together with the school, are beginning to get Christmassy. Caroline has been to help select the school Christmas tree and she has also been busy attending the Pengelly class assembly for parents. Caroline was extremely impressed with the wonderful work Pengelly Class have done on their Electricity Topic. What amazing pumpkin lanterns! The firework poems were brilliant. My favourite bit was your excellent electricity dance. Well done! Also, well done to the rest of the school for sitting so nicely during the assembly and well done to the children who received certificates today.

They played really well and were able to pick up a few pointers during the game, they communicated well, remained focused and scored 2 goals! Due to their hard work and great defending they managed to prevent the other team from scoring and won the match 2:0. Well done Crowan, what a fantastic debut!
