**Attendance** – Well done this week to Trenoweth Class.

Releath	Trenoweth	Pengelly	Crenver
95%	98.4%	98.1%	94%

**Golden Ticket winners** – Well done to **Josh M** and **Eleanor**, both of whom have been very well-mannered!

**This week in Crenver Class** – we have all come back raring to go and have had a great week. In Maths we have been looking at fractions and addressing some areas that we found tricky in our assessment. In Literacy we have been looking at simple, complex and compound sentences and have been painting pictures to inspire our work on free form poetry. The children have started to learn about the different ways that vertebrate animals can be sorted and classified in science and have conducted some internet research to learn more about how Easter is celebrated in other Christian communities around the world. The children were delighted to learn that their end of year production this time around will be based on 'Alice in Wonderland' and have started to explore the songs and different characters.

**Pengelly** - Welcome back for our Summer Term. What a lovely start to the term we have had. The children have produced some exciting writing about what they got up to during the Easter break, making improvements with the help of their 'buddies'. In maths, the children have been writing their own word problems and trying to turn them into 2-step problems. We have also been planning our DT project which is going to be linked to our Geography topic on erosion; we will be having a Geography fieldtrip later on in the year to study the effects of erosion even more closely.

**Trenoweth** – We hope you all enjoyed your Easter break. It was so lovely to see the children and they have settled back into their learning really well. The children are very excited to be learning about the Sea this term. In maths, we have been learning to tell the time. I have been really impressed with the children's enthusiasm to learn and they have made great progress in just a few days. They have made their own clocks so they can practice at school and at home. In Literacy, we have been doing some descriptive writing about the sea and focusing on our reading comprehension.

**Releath** – Welcome back! It has been lovely to hear about the wonderful Easter holidays you have all had! We have had a lovely first week, beginning our 'Castles' topic and creating our own princesses and knights. We have been doing lots of maths outside, counting to 100 and planting some of our own vegetables. We have been writing our own sentences using CVCC and CCVC words; we are so impressed at how many children are remembering capital letters and full stops already! Have a lovely weekend :)

**PSHE** - The children had a beach safety talk from members of the RNLI Lifeguard team on Thursday - ask your child what they learnt about the meaning of the safety flags and what they have learnt about keeping safe and well on a day out at the coast.

**Revision Club** will recommence on Monday 24<sup>th</sup> April until Friday 5<sup>th</sup> May from 8.45 – 9.00 am.

**FREE eSchools App** – As a replacement for Parentmail, we are intending to use eSchools to send text messages direct to parents, but in order to do this we need 'YOU' to download the FREE eSchools Mobile App to your mobile or tablet. Please go to:

<https://crowanprimary.eschools.co.uk/login> and download the mobile app at the bottom of the screen. If you have any queries with this, please see Mrs .Coates.

**School Lunch Money** – Can we ask that meals are paid for in advance each week, preferably on a Monday. Each meal is £2.20 = £11.00 per week. Please ensure any outstanding lunch money is paid on Monday. Thank you.

**Outstanding Payments** - Please ensure any outstanding money for Kids Club and Breakfast Club is paid on Monday. Thank you.

**Fun with food** - After Easter, the next group of children to take part in Fun with food will be: **Chloe, Joseph & Jakob, India, Phoebe, Jasmine, Kya and Oliver.G.**

The first session will be on **Thursday 27th April**. The cost is £1.00 per week. Please can your child bring a plastic tub each week to take their cooking home in? If you have any questions, please see Mrs Atkins.

**Drum Lessons** – Mr Hendry (Ali) will have some spaces for drum lessons from September as some of his current pupils move to secondary school. If your child would like to start, please contact him on 07882 618916 or 01726 63334 or email: [ajhendry2122@gmail.com](mailto:ajhendry2122@gmail.com) for more details.

**French Club** will recommence on Monday 24<sup>th</sup> April.

#### Future Dates -

w/b Monday, 8<sup>th</sup> May - Year 6 SATs week and opening of Key Stage 1 assessment period

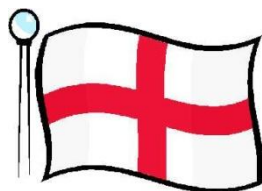

w/b Monday 15<sup>th</sup> May - 'Challenge & Discovery' Week

w/b Monday, 22<sup>nd</sup> May - PSHE Week (Sex & Relationship Education)
